# **FUNDRAISING CONCERT IN AID OF UKRAINIAN REFUGEES**

**Louisa Staples - violin**  
**Jonathan Ferrucci - piano**

Hundreds of thousands of innocent people have been forced to flee Ukraine amid the ever-worsening situation. Men have stayed behind to fight and women and children have nothing and nowhere to live.

Louisa and Jonathan are familiar faces for Alderney audiences after regularly appearing in the popular Alderney Chamber Music Festival.

They will perform a recital programme of much-loved classics in St. Anne's Church, including works by Ukrainian composers.

**Entry is free; all donations, however big or small are greatly appreciated. Every penny donated will go directly to the aid of Ukrainian refugees which will be distributed through the Ukrainian Embassy in the UK's initiative **With Ukraine.****
