St Anne's School Alderney, GCSE Exam Results 2022

Headteacher Mrs Wendy Wilson reports:

I am honoured and extremely proud to confirm that St Anne's Year 11 pupils once again achieved outstanding results for their GCSE's and equivalent qualifications this year.

This cohort of Year 11 pupils demonstrated a can-do, positive and resilient approach towards their studies in recent years, despite being significantly impacted by school closures and the challenges of remote learning as a result of the Covid-19 pandemic. They have produced the best suite of results that our school has seen with almost 82% of pupils reaching the so called 'gold standard' of 5+ Grades 4-9 including English and Maths. All pupils gained at least 5 GCSE's or equivalents.

Notably, in English Language, English Literature, Art & Design, Photography, Geography, Music and ICT, 100% of pupils entered, gained a Grade 4 or above and in Photography and Science, 3 pupils gained the highest possible Grade 9. The equivalent to the former A*- Grade 8 was achieved by pupils in Science, Maths, English Language, Art, ICT and Music.

Further to this and despite the limitations placed upon the school community by Covid-19 in the past two years, pupils also gained an additional suite of awards including Functional Skills English, D of E Bronze and Silver qualifications, Princes Trust Level 1 and the John Muir Discovery, Explorer & Conserver Awards.

At this time each year, we are keen to note the need for caution when comparing these results with those of previous years. St Anne's School has small cohorts and each pupil has a unique ability range. Ably supported by our staff from Early Years through to Year 11 and parents, the focus should be on their individual journeys and successes of each child and not the outcomes of the cohort as a whole.

Happily, all pupils were offered their first choice of post 16 destinations and everyone in school is proud of their ongoing resilience and determination in preparing themselves for the next chapter in their lives and education. All staff at St Anne's School wish them the very best for their futures and know that this cohorts' assured approach towards their GCSE studies will leaving a profound and lasting positive legacy for their younger peers at our school.

5+ Grades 9-4 (A*-C) including English & Maths

	2018	2019	2020	2021	2022
St Anne's Alderney	50%	25%	66.7%	77.8%	81.8%

5+ Grades 9-4 (A*-C)
