Dear parents and carers,

Re Stanley – Woof!

I am pleased to let you know that we are now in a position to move forward with our work and projects involving Stanley as our School Therapy Dog.

We will be writing to you prior to the Easter break with more information but wanted to give you the heads-up now in anticipation.

Ms Smith and Mr Moore, our trained dog handlers, will be working on a presentation in readiness for assemblies due to take place on:

- Tuesday 26 April, 2022 – Secondary Assembly
- Thursday 28 April, 2022 – Primary Assembly

Stanley has been working as a therapy dog for some time now and his regular visits to The Connaught have proved a real hit.

Similarly, Stanley has visited Youth Club in support of the wider piece of work with our children and young people.

Moving forward, Stanley's therapy work with children and young people will take place outside of the school setting. It is with this reassurance that the School Management Committee members and the Senior Leadership Team at St. Anne's School have been able to proactively move forward with Ms Smith and Mr Moore.

If you have any great Stanley 'woof!' ideas then please let us know.

Yours sincerely,

Mr M A Winward
