Dear Parents and Carers,

Re End of term

It has been a most unusual end to the year... 'but we are here'!

Heartfelt thanks and festive wishes to all our children, young people, families and wider community. Today, officially marks the end of term.

We said a fond farewell to Mrs Woollam who returns to the UK after serving the school as our teacher of design and technology over the last 5 years. We will miss you very much. The substantive post is currently vacant until we can fill this early into the new year. Thank you to those staff who will be covering in the meantime.

Whilst we had hoped for Mrs Dawber to join Castel School we will re-visit this into the new year once we have appointed a teacher and member of the Senior Leadership Team to replace her for the spring and summer term. Business as usual for Year 1&2 Class.

It is probably not likely to be business as usual at the start of the term in January, 2022. As you would anticipate, all Heads with the guidance and support of Education Services will be keeping a keen eye on the news and all things Omicron.

Please be assured that I will be working closely with my peers in Guernsey over the Christmas and New Year to bring you the latest news as we hear it.

Please keep a close eye on emails prior to the start of term for any up-dates. Finally, if you haven't yet visited our school website – please do so. You will find all the very latest information, not least our Christmas songs that can be viewed in our 'gallery'.

Yours sincerely,

Mr M A Winward
