CAREERS FAIR
ISLAND EMPLOYERS
ISLAND CAREERS
ISLAND OPPORTUNITIES

We are excited to inform you that St Anne's School are working with Alderney Chamber of Commerce to hold a **Careers Fair** for the young people on our island.

We know that a wealth of rewarding employment fields are available to islanders here in Alderney but we also recognise that island employers sometimes struggle to attract and retain staff.

We are therefore holding a Careers Fair on **Thursday 8th February 2023** from 9am until 12 noon in St Anne's School Hall.

Employers/ Trades will be there to showcase their careers, encourage the island's young people to meet with employers, learn more about career opportunities and potentially begin to build a workforce of the future.

Wherever possible, children will see some 'tools of the trade', some pictures/ information about the career and pathways into it and potentially be given some age-related merchandising. If this is successful, we hope to roll out the Careers Fair to wider island residents in the future.

Please note the Data Protection information below:

The Careers' Fair is a school event where third parties such as the media or businesses with information stalls, may take photos which include the pupils. These photos may then be used publicly such as on social media and their websites. As such, we cannot fully control the photos which are captured and shared. Should you not want your child to be included in any photos of this nature, please contact us to let us know so we can sort alternative arrangements. This does not impact the permissions in place with St. Anne's School where we have separately captured consent.
