Thought for the Week

There is a winner in you. You were created to be successful, to accomplish your goals, to leave your mark on this generation. You have greatness in you. The key is to get it out.” – Joel Osteen

17 You have the right to collect information from the media – radios, newspapers, television, etc – from all around the world. You should also be protected from information that could harm you.

18 Parents are the main people responsible for bringing up a child. When the child does not have any parents, another adult will have this responsibility and they are called a “guardian”. Parents and guardians should always consider what is best for that child. Governments should help them. Where a child has both parents, both of them should be responsible for bringing up the child.
